Congratulations to our Performance Ensemble for one First Place and two Second Place Awards!!!

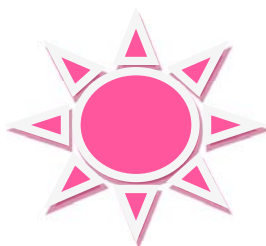

Our performance ensemble traveled to Washington DC for a weekend of dance instruction at the Dance Makers Convention. Our staff and students danced for hours each day under the instruction of various renowned teachers...practicing technique, choreography, and the audition process with hundreds of other students. Our own **Kelly Sassa and Katie Troutman** were chosen to perform a dance at the convention's closing ceremony! Our Senior Ensemble scored a first place, and our Junior Ensemble and Next Generation Dancers scored seconds in the dance competition. We are very proud of our girls!!!
